## Project

### Care Home Retirement Apartments

15 Mount Street  
Somerset

#### Project Brief

In consultation with McCarthy & Stone, Thermotec were asked to provide a complete design and installation scheme, in compliance with the latest environmental and technological heating systems.

#### Scope of Works

Thermotec delivered a fully integrated floor build up system using our TPS - Supafloor Electric underfloor heating with insulation to the apartments and Aquafloor Cliprail to the communal areas, including the air source heat pump using programmable thermostats. The project was managed, installed and supervised by Thermotec, and was delivered on time and within budget.

**Project Value:** £4.3M

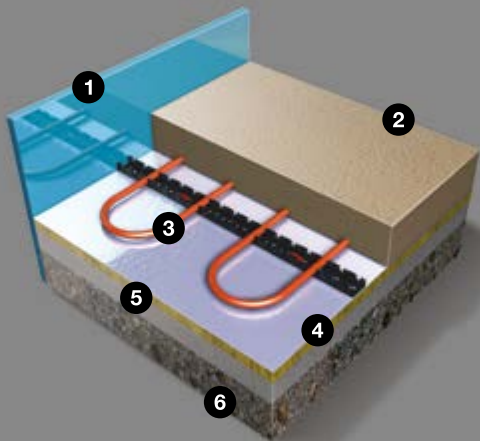

#### Project Details

Ellisfield Court, build value £4.3m (est) Extra care assisted living development for over 70s comprising 58 no. apartments located close to Taunton town centre.

4,895 m<sup>2</sup>

thermotec
